Welcome to the Spring Enrichment Session 2020

The Janney Enrichment Program (JEP) complements the excellent Janney Auxiliary Care (JAC) program by providing a wide array of classes for students in pre-kindergarden through fifth grade. We aim to offer opportunities for students of different ages and interests. If you think an after-school activity would be fun for your child, please look through these classes with him or her to see if there is an interest. No one will have fun if there are students in the class who do not want to be there!

Spring 2020 Session

Our nine week Winter session will go from April 6th — June 5th, with a make-up week June 8th -12th.

Monday: 7 weeks— No classes April 13 and May 25

Tuesday: 8 weeks — No classes April 14

Wednesday: 7 weeks — No classes April 8 and April 15

Thursday: 8 weeks — No classes April 16

Friday: 7 weeks — No classes April 17 and May 22

Please note: There are no classes when the school is closed for holidays, parent teacher conference days, or weather emergencies. There will be no classes the week of April 13-April 17 due to Spring Break.

JEP tries to make-up all classes missed due to inclement weather and other unforeseen events, but we cannot guarantee to make-up all classes. There may be some changes in the online catalog due to cancellations, additional offerings, or scheduling rearrangements.

PAYMENT

Full payment for classes is required with a credit card online during registration. Materials fees are incorporated into the prices below. Payment is due in full for all JEP classes upon registration. Students enrolled in JEP classes on days when also enrolled in JAC will receive a discount.

REGISTRATION

ONLINE REGISTRATION OPENS Sunday, March 1st AT 8 PM.

Registration for all Enrichment classes is through Campsite at **janney-plus.campmanagement.com**. Those new to the system should create a profile before registration opens since classes can fill up quickly.

For all classes, registrations are accepted on a first come-first served basis as classes are subject to minimum and maximum enrollment. Early registration is strongly encouraged. Once a class is filled to capacity, registrants will be placed on a waitlist. If space becomes available, registrants will be notified by email and should confirm their intent to enroll in the class. If no response is received by the requested time, the space will be offered to the next person on the waitlist. If you would like to arrange a meeting with a class instructor at the end of a JEP session, please contact the JEP Director, Brianna Guilherme, and she will coordinate this with the instructor.

ATTENDANCE

If your student will be missing an enrichment class, an email should be sent to **enrichment@janneyschool.org** and **plusattendance@janney-school.org**

Registration Information

TUITION REDUCTION

Tuition reductions are available. Families eligible for free and reduced lunch are able to take one class/semester/student at no cost. Students applying for tuition reduction should email plused@janneyschool.org with their registration request. Requests will be considered based on space availability before **March 13th, 2019**.

SCHEDULE

Enrichment classes run from 3:30 – 4:30 PM unless otherwise noted. A light snack is provided in the cafeteria for all students from 3:10-3:25. Students will accompany their instructor to the classrooms at 3:30. Please let us know if your child has any allergies or food concerns. Feel free to send additional snacks for your child if they will need them.

Dismissal for Enrichment will begin at 4:45 PM. Pick up your enrichment students in the cafeteria or let us know if they will be joining Janney Auxiliary Care (JAC) after enrichment. **Please use the doors by the atrium to enter and exit the building.**

REPEATING CLASSES

Feel free to repeat classes. New projects and material will be covered.

REFUND and CANCELLATION POLICY

JEP reserves the right to cancel classes due to insufficient enrollment. In the event of a cancellation, the JEP Director will notify families in advance. Parents will have the option to receive a full refund or transfer into another available class. If school or a class is cancelled due to inclement weather or other events, we will attempt to reschedule classes, but this is not guaranteed.

Refunds are given for registrations canceled before the second class meeting of the session, minus the 20% non-refundable deposit and \$25 cancellation fee. There are no refunds for cancellations after the second JEP class. If your child is able to transfer into a different JEP class, rather than cancelling all together, there is no fee. Transferring out of classes must be done before the second class meeting. At the discretion of the JEP Director, in the case of special circumstances, refunds may be granted or pro-rated for the classes already taken only if the vendor agrees to a full or partial refund. There are no refunds or make-ups for missed classes.

Sports

Soccer – Excite Soccer

I: Grades 1-2, Monday 3:30-4:30 PM \$185

II: Grades PK-K, Wednesday 3:30-4:30 PM \$185

Children will be encouraged to develop their mental, physical, and social abilities through creative soccer games and other activities taught by highly experienced staff; all trained in working with young children. Participants will learn individual skills, teamwork, and most importantly, have fun! Our emphasis is on mastering basic coordination and agility with and without a soccer ball, as well as providing a confidence-building environment. Each practice will finish with small sided scrimmages.

Fencing - Active Play! \$185

Grades 3-5, Monday 3:30-4:30 PM

Calling all pirates, musketeers, and Jedi – fencing is coming to Janney! Fencing is a martial art (and an Olympic sport!) based on swordsmanship in which winning points are made through contact with an opponent. Children in the class will learn basic moves and participate in matches to develop their skills and explore this history-rich sport that combines athleticism and intellect. Like other martial arts, fencing is about personal accomplishment, creative problem-solving, and discipline..

Boys Will Run – Luke Kovacs

I: Grades 4-5, Mondays 3:30-4:30 PM \$285

II: Grades 2-3, Tuesday 3:30-4:30 PM \$300

III: Grades 2-5, Thursday 7:30-8:30 (included in price above)

PE teacher Luke Kovacs has developed a unique boys running program that encourages boys not only to run, but to run better. Working on the fundamentals of running, and correcting students' form makes students more efficient runners, reducing long-term injuries and helping them enjoy one of the most effective forms of exercise available. Running boosts self-confidence, curbs obesity and, perhaps most significantly of all, instills exercise habits that can last a lifetime. Meet inside by the gym on Thursday mornings.

Gymnastics - Active Play! \$210

Grades 1-3, Tuesday 3:30-4:30 PM

Students in this class will jump, hop, and climb as they learn fundamental gymnastics skills in an entertaining and fast-paced way. The class will open up with a fun warm-up and stretch. The students will learn basic floor gymnastics skills, including cartwheels, handstands, bridges, back walkers, and agility movements. The goal is for students to learn gymnastics skills in a fun and interactive way! Reminder: It is important for students to dress in athletic or gymnastics apparel.

Tennis – TopNotch Tennis

I: Grades K-3, Tuesday 3:30-4:30 PM \$210

II: Grades K-3, Thursday 3:30-4:30 PM \$210

Come join us to learn a sport that is both fun and healthy! This beginning program introduces your child to tennis and helps develop: hand-eye coordination, agility, balance, movement, racquet skills, and sportsmanship. We develop the fundamental strokes: forehand, backhand, volleys, and serves using drills and games in a fun, safe, and friendly environment! Racquets will be provided.

Basic Tae Kwon Do – Master Lee \$185

Grades K-3, Wednesday 3:30-4:30 PM

Students will participate in a series of drills and skills that work on their strength, flexibility and endurance. They will also increase their coordination, reflexes, and athletic skills. Best of all, they will love the excitement of learning Tae Kwon Do kicks, forms, and self defense techniques. No two classes are alike, and your child will look forward to each class. Master Lee's Martial Arts staff are experts at motivating children, enabling them to give their best effort while still keeping classes fun.

Girls Fit Club – Luke Kovacs \$185

Grades 2-5, Wednesday 3:30-4:30 PM

In this fit club girls will work to get stronger using a variety of resistance exercises using their own body weight and equipment. They will also spend time working on their cardiovascular endurance through running and other activities.

Flag Star Football – Flag Star Football **\$185**
Grades 2-5, Wednesday 3:30-4:30 PM

This is a flag football class for the brave! These sessions will be an hour of skills, drills and scrimmages. And just a lot of active fun. WE want to get outside this fall. YOU want the kids to be outside. And flag football is the best.

Sports and Movement - Just For Kids **\$210**
Grades PK-2, Thursday 3:30-4:30 PM

This is one of their most popular classes which allows children to run, jump, play with soccer balls, hoop jumping, practice tee-ball, soccer, and more. Children have fun while learning balance and muscle control during physical activity all while having fun!

Achilles Soccer - Achilles FC **\$185**
Grades 1-3, Thursday 3:30-4:30 PM

Students will learn the fundamental skills of soccer, from a professional Achilles FC coach, while growing a passion for the beautiful game! Students will learn how to juggle the ball, use their skill moves, score goals, and of course, celebrate!

Floor Hockey - Active Play! **\$185**
Grades K-3, Friday 3:30-4:30 PM

Pass, shoot, and score this Fall! Students will learn hockey skills as they compete against each other in various games and drills. This class is a fun, high-energy, and high-endurance activity that will require lots of water breaks. Sign up to see if you have what it takes to be a Stanley Cup Champion.

Girls Basketball - HoopEd! **\$185**
Grades 2-5, Friday 3:30-4:30 PM

Clinic style class that teaches the rules and skills needed to enjoy the game in a fun, low pressure environment. Each week students will learn a new skill such as dribbling, passing, shooting, rules of the game, etc. Students will play fun basketball activities as well as exciting instructional scrimmaging.

Movement, Dance & Creative Arts

Silly Storytellers–Educational Theatre Company **\$185**
Grades PK-2, Monday 3:30-4:30 PM

We need your silliness! Whether your child's a real ham or a stand-up guy, they will love this class. Gain the tools to be a master teller of hilarious tales-they will stretch their imaginations, tell a story, convey a thought, and do it all to make the audience crack up! By using the actor tools of body, voice, and imagination, these comedians will take us on a journey to entertain and inspire their audience through the beginning, middle, and end. Students will work together to create original comic stories that they will perform on the stage. Family and friends are invited for a final sharing on the last day of class.

Storytime Yoga – Ms. Camille Martone **\$185**
Grades PK-1, Monday 3:30-4:30 PM

Yoga helps the student find balance at any age, calming the mind and relaxing the body. This class helps bring active minds into union with active bodies in a non-competitive environment. Kids will learn new poses in a fun and playful way that stretches and strengthens their imaginations as well as their bodies. Mats are provided. Previous yoga experience is not required.

Introduction to Pre-Ballet/Pre-Tap – CityDance POP! **\$185**
Grades PK-K, Wednesday 3:30-4:30 PM

Little dancers learn the basics of ballet and tap in this combination class. Ballet and tap shoes are not required. Dancers will be focusing on basic terminology, rhythm recall and using their imagination as they explore these two genres.

Improv – Ms. Deliah Doolan \$185

Grades 3-5, Wednesday 3:30-4:30 PM

Your child will learn the foundations of Improv in a positive and accepting environment. This class will support and encourage imaginative play through a variety of high energy and engaging games. Through exploration of creative thought and movement your child can build cooperative collaborative problem solving skills. The lessons learned in Improv can translate to increased confidence, public speaking skills, thinking quickly on their feet, cooperative and collaborative problem solving, and increased communication skills.

Bollywood Dance - Taal Academy \$210

Grades PK-2, Thursday 3:30-4:30 PM

Students will be taught beautiful, high-energy choreography from professional dancer, Ms. Shuchi Buch, who is classically trained in Bharanatyam. During this class, students will learn classical Indian poses and one or two choreographies to popular Indian (Bollywood) songs. At the end of the session students will have an opportunity to perform their dances, wearing Indian outfits, for family members. The classes create an opportunity for working as a team, building performance confidence, and learning about culture and language through the arts. Boys and girls of all skill levels are welcome.

Creative Drama - Spooky Action Theatre \$210

Grades 1-3, Thursday 3:30-4:30 PM

Students use storytelling and observations their everyday life as springboards to explore characters through various acting, music, movement, and visual art activities. Students will exercise confidence, self-esteem, and creative expression while working on active listening and sharing. The class will culminate in short scenes or skits created by the students.

Spanish Acting and Storytelling – Ms. Karen Morales \$185

Grades PK-2, Friday 3:30-4:30

Students will listen to a story; they will work on a skit about the story. Students will memorize lines and act out the story with exaggerated movements, as a narrator tells it. Acting exercises will be done as warm up and cool down during every class.

Glow Light Dance Party – Kids In Motion \$185

Grades K-5, Friday 3:30-4:30 PM

This exciting one-of-a kind class takes the great music and dance moves from our Zumba, Hip Hop, and other dance fitness classes, but we switch it up to include strobe lights! This class will be set in a creative dance environment where the students will spend the class learning different dances to kid friendly songs and dance moves. Children are provided with mini finger flashlights to create a strobe light dance party! Children do get a work out from this class. Instructors are certified Zumba Kids instructors through Zumba International, which certifies them to teach 4-12 year old children, or they are experienced Hip Hop/Dance instructors. All instructors receive further training through NOVA Kids in Motion lead dance instructors.

Hip Hop Dance – Active Play! \$185

Grades 1-3, Friday 3:30-4:30 PM

Students will learn a mix of ballet and hip hop dance techniques including break dancing, popping and locking, and freezes, as well as iconic hip hop movements including the moon walk, the cabbage patch, the kid in play, the snake, and more! Students collaborate and learn funky routines to some of the best beats around and let their inner star shine through break dance battles and more. Additional emphasis on style, contemporary choreography, movement vocabulary, strengthening and conditioning, rhythm, personal expression, and having fun!

Critical Thinking & Life Skills

Rockets, Planes, & Flying Things - Little Scholars \$185

Grades PK-1, Monday 3:30-4:30 PM

Watch it soar, see it glide, and come take a ride with rockets, planes, and flying things! We will build flying machines, test gliders, and soar to the moon through art, stories, and lots of play! Our adventures will sharpen your imagination, kick start your motor skills, and ignite a passion for flying!

Pokemon Engineering - PlayWell Teknologies \$185

Grades K-3, Monday 3:30-4:30 PM

Join Ash and Pikachu as you build, capture, train, and explore the vast world of Pokémon with tens of thousands of LEGO® parts. Design your own Poké Balls, explore the Kanto region, and fly with Charizard. Explore engineering through the fun world of Pokémon with the guidance of a Play-Well instructor.

Scrabble - Ms. Rebecca Reuter \$185

Grades 3-5, Monday 3:30-4:30 PM

Did you know that there are 105 two-letter words in the English language? How about that three words actually end with a ‘q’? Unsure of what it means to score a ‘bingo’? Come be a part of the Janney Scrabble Community and find the answers to these questions and more! Learn how to build words, strategize, and compete with each other, and perhaps even other schools.

Sports Mania – Bricks 4 Kidz \$210

Grades PK- 1, Tuesday 3:30-4:30 PM

Explore sports ranging from gymnastics to biking, mini-golf to soccer in this awesome lego class! Some lessons focus on the importance of physical fitness and different aspects of fitness, such as stamina and strength. Other lessons describe the mechanics of the sport, such as the physics involved in golf and the components of a stationary bike. But the best part for the students is the way the models move and the fun they have playing with them after they’re built - hitting a plastic golf ball with the mini-golf model, watching the gymnast spin around the bar, and shooting bricks in the hoop on the basketball model.

Natures Best – David Ritter, Bretton Woods \$210

Grades 2-5, Tuesday 3:30-4:30 PM

This class is for students who love nature and exploring the outdoors! In this exciting and informative class, student will get the chance to learn ways to survive in the outdoors from tracking to shelter building, while also doing some fun activities that will give you the feel of being at camp! Get ready for this outdoors adventure!

Dino Discovery PK-1 – Little Scholars \$185

Grades PK-1, Wednesday 3:30-4:30 PM

Do you know which dinosaur was nicknamed “long neck?” Do you know which dinosaur had the biggest head? Join us for a colossal journey into the world of dinosaurs. Build a dinosaur replica and have an archaeological dig just like a real paleontologist. In Dino Discovery, you will have a swamp stomping good time.

Lego Imagination - Ms. Leila Hashemzadeh \$185

Grades 2-5, Wednesday 3:30-4:30 PM

LEGO imagination station: the stuff of creativity. You can shape it, unshape it, make worlds and smash them up to be replaced by new ideas. Lets explore what Legos have to offer, while learning the basic world of “engineering”.

Chemistry of Slime - PhotoMath STEM **\$185**
Grades 3-5, Wednesday 3:30-4:30 PM
This is a fun way to introduce the Phases of Matter to students using Slime. Learning measuring techniques and lessons in chemical reactions, students have a fun learning experience in Science. Each class new variations of slime are created by participants. Students explore Magnetic slime, Radioactive-Looking Slime, Glow in the Dark Slime, Thermo-chromic Color Change Slime, Floam, Edible Blood Slime (It Glows!) and Glitter Slime.

Scratch Coding- KV Educational **\$235**
Grades K-2, Thursday 3:30-4:30 PM
Coders will learn to create stories, games, and animations using a visual programming language called Scratch. With Scratch, the children will be introduced to fundamental programming concepts while learning to think creatively, work collaboratively, and reason systematically. Scratch is designed and maintained by the Lifelong Kindergarten group at the MIT Media Lab.

Chess Wizards- Chess Wizards **\$210**
Grades K-3, Thursday 3:30-4:30 PM
Chess Wizards is a premier chess education company providing fun, informative, and challenging chess lessons to students. Chess Wizards teaches children many important life concepts, such as learning the ability to win graciously and accept defeat with dignity and sportsmanship. Students will be divided into groups according to their chess experience. At the end of the session, each student will have the chance to participate in a mini-chess tournament.

Green Thumb Club – Little Scholars **\$210**
Grades 2-5, Thursday 3:30-4:30 PM
Catch an insect, grow a terrarium, and save the earth...all while learning about nature and the world around us through exciting expeditions, science, and environmental exploration. Our Green Thumb Club will ignite your child's passion for nature, recycling, and learning about the earth through educational activities and science investigations.

Woodworking – Stephen Ortado **\$210**
Grades 3-5, Thursday 3:30-4:30 PM
Woodworking workshops helps to learn how to use tools safely while using your creativity on different projects. Students will get a chance to make gifts, toys and instruments out of wood!

Experimentmania - Mad Science **\$185**
Grades K-3, Friday 3:30-4:30 PM
Experimentmania is a cornucopia of experiments! Children will uncover the vital role that science plays in detective work, examine the science behind popular toys and get a buzz out the amazing world of insects! Your Mad Scientists will explore Earth Science, weather phenomena, and experiment with some kitchen chemistry. Children will build their own Mad Science Machine, and create their very own short animated cartoon!

Chess – Silver Knights **\$185**
Grades K-3, Friday 3:30-4:30
From absolute beginners to tournament players. Each chess club hour includes a lesson and games. Our clubs provide a fun way for children to learn and improve at chess while also practicing critical thinking and problem-solving skills!

STEM Career Quest & Adventure – KV Educational **\$210**
Grades 3-5, Friday 3:30-4:30
During STEM (Science, Technology, Engineering & Math) Quest & Adventures, students will participate in interactive and engaging experiences through our hands-on lessons and fun activities. Students will explore real-world careers such as graphic and product designer, food scientist, archaeologist, or being an astronaut. Activities may include: designing a backpack, lunchbox or pet carrier; constructing a jungle zipline; creating wacky designs; or exploring the science of food.

Visual Arts

Great Artists of History – Ms. Morgan Downing \$185

Grades PK-1, Monday 3:30-4:30 PM

In this drawing and painting class, students will learn about a great artists in history and the art style that they specialized in. For example, Picasso's cubism will be used to make our own self portraits, and we'll use Georges Seurat's pointillism style to create our own "Sunday Afternoon" painting. Students will gain knowledge in artistic vocabulary and broader their awareness of how art is interpreted in different formats.

Art FUNDamentals – Ms. Sofia Gawer-Fische \$185

Grades 2-5, Monday 3:30-4:30 PM

From drawing, to painting, to printmaking and sculpture. Students will be inspired by looking at the works of famous artists and their styles. Students will create a small sculpture modeling with Sculpy, they will experiment with printmaking, collage, and will paint on a small canvas! Each class the instructor will be working individually with each student.

Storytelling Artists – Ms. Morgan Downing \$210

Grades PK-1, Tuesday 3:30-4:30 PM

Our youngest students will enjoy a new children's literary classic each week that will be combined with an art project to explore the world around them and develop fine motor skills. Fun projects will include finger painting, yarn weaving, paper modeling, beading, and more. This class aims to bring out students' creativity in a quiet, focused environment. We will use aprons, but students might get messy! New books and projects each session.

Jewelry Creations – Ms. Carmen Eliam \$210

Grades 2-5, Tuesday 3:30-4:30 PM

Jewelry Creations inspires sustainable creativity and design as students work together to make exceptional "bijoux" from found objects. Students will explore finding value in both common and uncommon objects which can become the raw materials of up cycled jewelry. This class will cover the basic, easy and fundamental techniques of jewelry making. Students will learn techniques and the use of tools and will be able to make their own findings, earrings, ring, necklace, bracelet and more.

Fused Glass & Amazing Art! – Ms. Lori Milstein \$225

Grades 3-5, Wednesday 3:30-4:30 PM

Your child will create a variety of art from functional to fantastic! Glass projects will include some of the following: plates, bowls, jewelry, ornaments, window hangings, frames, undersea scenes, and wind chimes. Amazing art projects will be selected from: wacky wearable art, shoe sculptures, "fun Junk" recycled wall sculptures, free form beading, tie dye, and mixed media designs. Students who have taken this class in the past will create new projects.

3D Sculpture Art - Ms. Sofia Gawer-Fische \$210

Grades 2-5, Thursday 3:30-4:30 PM

Students will be able to create 3D art with a variety of materials. They will be modeling with Sculpy, creating sculptures with recycled materials like cardboard boxes and plastic bottles, soap carving and much more ! Each class the instructor will be working individually with each student.

Creative Writing – Amore Learning \$185

Grades K-3, Friday 3:30-4:30 PM

Designed to reach students of all enthusiasm and skill levels, this program will allow each writer to create a portfolio of cherished pieces. Students will each approach the activities in unique ways and the curriculum is differentiated by age. Friendships grow, the community is enriched, and everyone benefits as a result. Our focus is on having fun while boosting writing skills in a warm, nurturing, and exciting environment, all for the love of learning!

Beginning/Intermediate Knitting – Ms. Angela Kramer \$185

Grades 2-5, Friday 3:30-4:30 PM

This class is designed for both for new knitters and more experienced students. Beginners will make their own needles and learn the basic knit stitch. Intermediate students will gain more confidence as knitters and learn to purl. No experience is required; yarn and materials will be provided. Just come ready to spend a cozy winter afternoon knitting in a relaxed, friendly environment.

Music

Music Appreciation – Ms. Elena Migunov **\$185**

Grades PK-1, Monday 3:30-4:30 PM

Music Workshop classes for children to develop musical abilities, strengthen listening skills, improve attention span, and cultivate an appreciation and love of classical music. Through a mix of hands-on activities, children learn the music of the great composers, names and sounds of instruments of the orchestra, and some music theory,

Musical Marbles — Tunes 4 Tots **\$185**

Grades K-2, Wednesday 3:30-4:30 PM

The perfect class for students who love making things, music, and problem solving! By the end of this STEAM unit, students will have built their own “musical” marbles set. In this hands on, project based course, students will use critical thinking and problem solving strategies to match a self-constructed marble runs to the tempo of songs that they love! By the end of the class, students will have a stronger understanding of beat, rhythm, tempo, and how music is created.

A Capella Fellas— Tunes 4 Tots **\$185**

Grades 3-5, Friday 3:30-4:30 PM

Come make music with Tunes 4 Tots®! This is the perfect program for children with an interest in singing or joining a musical group. This semester, students will sing alongside their peers in an engaging environment, learning fundamental music concepts along the way. Students will have the opportunity to learn the basics of singing, beatboxing, body percussion, and more. Students will learn how to use the proper vocal technique, while practicing learned skills in rhythm, melody, harmony, and so much more! This class is the perfect gateway to a lifetime of making music!

Piano Lessons with Ms. Tatiana

Ms. Tatiana has few piano times available from now until the end of the year! If you would like your student to begin taking lessons with Ms. Tatiana, email enrichment@janneyschool.org for available days, times, and cost.

Cooking

Food Pockets Around the World – Ms. Angela Kramer \$185
Grades 3-5, Monday 3:30-4:30 PM

Calling all serious bakers! Food pockets are edible containers, and they're found all around the world. In this baking class, we'll make everything from ravioli to dumplings, empanadas to pop tarts!

Simple Cooking — Ms. Angela Kramer \$210
Grades PK-1, Tuesday 3:30-4:30 PM

This class will safely introduce young students to basic cooking skills such as slicing, mashing, measuring, and mixing. We'll have fun making real (and even healthy!) foods such as homemade green noodles, veggie pizza, and build-your-own burritos. We'll also cook a few treats!

World Cooking— Active Play! \$185
Grades PK-1, Wednesday 3:30-4:30 PM

Take a trip around the world in our World Cooking class. We will learn about different cultures and then eat a dish from that region! Kids will learn how to use kitchen tools appropriately and safely, how to make dishes from around the world using simple ingredients that are easy to find at home, how to clean up after making big messes in the kitchen, and ideas about nutrition and feeding their bodies in a healthy manner.

French Cooking – Ms. Marie-Claire \$185
Grades PK-5, Friday 3:30-4:30 PM

Join our spirited French teacher, Marie-Claire, in a fun class all about French cooking. Your student will have a chance to reinforce his or her French skills while cooking delicious and nutritious snacks.

Please let us know if your student has any **food allergies!**

If your child is a fussy eater or needs more food after school, please send them with an **additional snack.**

We do not offer alternatives to the snack we offer since we are feeding a large number of students in a short amount of time.

Thanks for understanding.

Class Schedule Summary

(unless otherwise noted--classes take place after school from 3:30-4:30 PM)

	Monday	Tuesday	Wednesday	Thursday	Friday
				Boys Will Run AM 2-5
