Advisory 4 Planning:

- Need for demand survey by grade level;
 - Need for lots of opportunities for 3rd and 5th grade in particular
- Guiding question – if we can't meet demand for in-person learning for a grade level, do we try to design something that allows all interested students some time on campus?
 - If we bring back more, does it come with diminished time?
 - Some parents say yes to option of bringing back more even if it means diminished time
 - If we bring back more, does it come with diminished time?
 - Some parents say yes
 - Outdoor classrooms?
 - Our OSSE guidance reflects current CDC guidance (e.g. 6 feet)

- Parent FAQ
 - Having a collection of questions that have been asked and answered to send out to parents
- Mental Health Support
 - Getting Dr. Mallory a list of families who need support and then coordinate that possibly send out a survey or form to solicit need?
- Parent volunteers
 - The process for getting in the building to volunteer is cumbersome at this point, but we can try to get people in if the process becomes easier to navigate
 - No word from DCPS on whether or not we can use parent volunteers for Advisory 4

Timeline and next steps:
