Agenda

- Welcome/ agenda overview + call for additional topics (Maureen)

- Upcoming Events and Updates (Maureen)
    - Ward 3 Ed Net Wednesday, 11/15 at 7:00pm
        - Mary-Beth will attend meeting
    - School Nurse advocacy efforts
        - A city-wide group has started to address DCPS's new nursing cluster model which is regularly leaving schools without a nurse
        - People who are interested in joining efforts can email the Ward 3 point person: Libbie Buchele, libster@umich.edu
    - Boundary Study updates
        - Janney is considered to be a school with over utilization since it has more than 95% enrollment/ capacity
        - Janney is on list of schools to be included in models which reduce boundary size to reduce overcrowding, though no proposed models at this time
        - Next community meeting will be in December
        - W3 contact rep is Anna Johnon

- Janney Talks updates (Becky)
    - Next topic is around restorative justice and will bein January
    - Becky is work with Ms. Xavier and PTA reps to put together and roll out comms plan

    - They are looking at childcare signup to see how people can share their spot if they don't need it last minute
    - Also working with Mike and Safety team to determine how to get out information from the first Janney Talks to the larger community of parents who couldn't make the even

- Safety and Security Updates (Danielle)
    - Danielle provided updates on campus security issue from 11/8 and how it was handled by the Janney and Janney+ staff. No additional concerns or follow-up needed
    - The LSAT was working on a Code of Conduct for staff in fall 2019. It seems this document was never finalized. Longer standing members of the team remember this and Rebecca found some old documentation. Not sure if there is a need to revitalize this document. This could be a topic for a safety subcommittee to look into further. Questions would be: what is the need? Based on the need, what are the next steps?
- Enrollment Projections (Tawana)
    - Review draft
    - Discuss principal adjustments
    - Identify LSAT comments for each section: Total, ELL, SPED, at-risk
        - DCPS's enrollment projection was 690
        - It is likely in December that we will be at 693.
        - The school will plan to make an adjustment to project 695 as Janney has continued to exceed its enrollment target. The target will be 73 for preK (instead of suggested 70)
        - There has been a trend of students leaving in 3rd for private and returning in 4th grade. This time of year there are also no international students who move into the neighborhood.
        - Next steps: Danielle makes the school's adjustment and Maureen provides LSAT feedback. This is due 11/21. Send any feedback to Danielle and Maureen before then

- Comprehensive School Plan (Danielle and Rebecca)
    - Progress on academic goals (Danielle)
        - Danielle shared BOY data in reading and math. Both sets of data were strong for a start with room for growth
    - Subcommittees (Rebecca)
        - Finalize committees for this year → CSP broad focus areas: staff leadership, engagement, communication, culture of achievement, academics
        - Identify committee members
            - We did not have time for this agenda. There was a proposal, which was met with agreement, to move to the top of next month's agenda
