Malarie Joyner, Enrichment Coordinator
enrichment@janneyschool.org

Registration Opens Monday, February 12, 2024

at 8:00 pm at

janneyplus.campmanagement.com

Welcome to the Spring 2024 Enrichment Session!

The Janney Enrichment Program (JEP) offers a wide array of classes for students in PK through 5th grade. We aim to offer opportunities for students of different ages and interests. If you think an after-school activity would be fun for your child, please look through these classes with them to see if they are interested in any offerings.

Spring 2024 Session Schedule

The session will run from April 1 to May 31, with a makeup week for any missed classes from June 3-7

Monday classes: 7 weeks (No class April 15 and May 27)

Tuesday classes: 8 weeks (No class April 16)

Wednesday classes: 8 weeks (No class April 17)

Thursday classes: 8 weeks (No class April 18)

Friday classes: 7 weeks (No class April 5 and April 19)

JEP tries to make up all classes missed due to inclement weather and other unforeseen events, but we cannot guarantee being able to make up all classes.

There may be some changes in the online catalog due to cancellations, additional offerings, or scheduling rearrangements.

Enrichment Policies

Registration

Registration for Winter enrichment classes will open at 8:00 pm on Monday, February 12 and take place through the

Parent Dashboard on CampSite:

janneyplus.campmanagement.com

Hot Tip 🔥: If your family is new to Janney or you just haven't participated in Janney Plus programs before (JAC, Enrichment, Language, Camps) create an account and complete your online family forms before the registration window opens. Spots in classes can fill up fast!

For all classes, registrations are accepted on a first come, first served basis. Classes are subject to minimum and maximum enrollments, so early registration is strongly encouraged. Once a class is filled to capacity, registrants will be placed on a waitlist. If space in the class becomes available, registrants will be notified by email and should conform their intent to enroll in the class. If no response is received by the requested time, the space will be offered to the next person on the waitlist.

Payment

Payment for all Spring session classes will be done in 2 installments. 50% of the class costs will be due at the time of registration. The remaining cost of programming will be placed on a payment plan and pushed on **Monday, May 1st**.

Program Information

Tuition Assistance

Tuition assistance is available for families with financial need. Families should email plused@janneyschool.org with any requests.

Enrichment Schedule

Enrichment classes are one hour long and take place once a week from 3:30-4:30pm. Students are transitioned to the enrichment check-in area by their teacher at dismissal and eat a snack during check-in.

Enrichment dismissal takes place on the field at 4:30pm. Students who are enrolled in JAC the afternoon of their enrichment class will be transitioned to meet their JAC group and all other students will be waiting to be signed out by their adult. All individuals listed as parents on their family's CampSite profile automatically have a dismissal PIN that they will use to sign their students out. Parents can add other adults as authorized pickups on CampSite; these individuals will receive their own PIN to use at checkout.

Refund and Cancellation Policy

JEP reserves the right to cancel classes due to insufficient enrollment. In the event of a cancellation, the JEP director will notify families near the end of the enrollment window (March 10). Parents will have the option to receive a full refund or transfer into another class with openings.

Refunds are given for registrations canceled before the second class meeting of the session. This refund amount is the total class tuition minus a 20% nonrefundable deposit and a \$25 cancellation fee. Unenrollments after the second class meeting will not be refunded. Requests to transfer to a different enrichment class must be made before the second class meeting.

School Closures

If school is cancelled due to inclement weather, enrichment classes will not be held.

Makeup Classes

All classes have one makeup class built in the week of June 3-June 7 in case the class has to be cancelled one week. Makeup classes take place on the same day of the week that the class was held on. Families will be contacted before the makeup class to remind them.

Sports Classes

Class Types:

Sports (pages 3-5)

Movement and Dance (page 6)

STEAM and STEM (page 7-8)

Creative Arts (page 9-11)

Cooking (page 12)

Lifeskills & Academic (page 13)

MONDAY

Volleyball — TGA Tennis

Grades 2-5

\$240

This volleyball class will combine athletics, academics, and life lessons for a fun and educational experience. We incorporate station-based athletic skill development, STEAM Labs to explore educational concepts through volleyball, and key life lessons including: teamwork, sportsmanship, perseverance, and leadership.

Gymnastics — Active Play

Grades PK-1

\$235

Students in this class will jump, hop, and climb as they learn fundamental gymnastics skills in an entertaining and fast-paced way. The class will open up with a fun warm-up and stretch. The students will learn basic floor gymnastics skills, including cartwheels, handstands, bridges, back walkers, and agility movements. The goal is for students to learn gymnastics skills in a fun and interactive way!

Boys Will Run - Luke Kovacs

Grades 2-3

\$235

Students will build their cardiovascular endurance through running and other activities and get stronger with a variety of exercises using their body weight and equipment. They might spend one day working on running endurance and the next on team-building exercises.

Gymnastics — TGA Tennis

Grades 2-5

\$235

Experience an exhilarating journey at Janney Elementary, where our transformative co-ed gymnastics program, designed exclusively for grades 2-5, offers more than just flips, twists, and tumbles. With a dynamic blend of fun, fitness, and skill development, our expert instructors personalize the experience for each child, whether they are beginners or seasoned tumblers. Emphasizing teamwork, collaboration, and a positive environment, we cultivate lasting friendships and a significant boost in self-confidence.

TUESDAY

Tennis — TGA Tennis

Grades PK-2

\$275

In this tennis class, we will combine athletics, academics, and life lessons for a fun and educational experience. We incorporate station-based athletic skill development, STEAM Labs to explore educational concepts through tennis, and key life lessons including: teamwork, sportsmanship, perseverance, and leadership.

Karate - KenZen-Do

Grades K-4

\$270

GET READY TO KICK, JUMP AND FLY! We set the foundation of having a healthy mind and body by focusing on a variety of different movements. Every black belt started as a white belt, and the ultimate goal of a white belt is to be a black belt. Our students in this program build confidence by setting goals and achieving them. Our program will build confidence, develop skills like stillness for concentration, growing past obstacles, and develop leadership skills like problem solving. Learning to say "I Can, I Will, I do" and having FUN doing it!!

Sports Classes

Class Types:

Sports (pages 3-5)

Movement and Dance (page 6)

STEAM and STEM (page 7-8)

Creative Arts (page 9-11)

Cooking (page 12)

Lifeskills & Academic (page 13)

TUESDAY

Basketball — Trax Sports

Grades 2-5

\$270

Students will learn the fundamentals of basketball from our experienced coaches. Through fun drills and games, students will be taught the proper technique for shooting, dribbling, passing, and rebounding, as well as how to play outstanding defense. Most importantly, we teach our athletes the value of sportsmanship by showing them how to be good teammates on and off the court.

Boys Will Run — Luke Kovacs

Grades 4-5

\$270

Students will build their cardiovascular endurance through running and other activities and get stronger with a variety of exercises using their body weight and equipment. They might spend one day working on running endurance and the next on team-building exercises.

WEDNESDAY

Flag Football — Trax Sports

Grades 1-5

\$270

In this class, students will get an introduction to flag football. The sessions will be an hour of skills, drills and scrimmages and just a lot of active fun. Get your student outside this Spring for some football!

Girls Fit Club — Luke Kovacs

Grades 2-5

\$270

In girls fit club, we will work stronger using a variety of exercises using our own body weight and equipment. We may spend one day working on running endurance and the next on team building exercises. Students will also spend time working on their cardiovascular endurance through running and other activities.

Karate - KenZen-Do

Grades K-4

\$270

GET READY TO KICK, JUMP AND FLY! We set the foundation of having a healthy mind and body by focusing on a variety of different movements. Every black belt started as a white belt, and the ultimate goal of a white belt is to be a black belt.

Our students in this program build confidence by setting goals and achieving them. Our program will build confidence, develop skills like stillness for concentration, growing past obstacles, and develop leadership skills like problem solving. Learning to say "I Can, I Will, I do" and having FUN doing it!!

Sports Classes

THURSDAY

Sports (pages 3-5)

Movement and Dance (page 6)

STEAM and STEM (page 7-8)

Creative Arts (page 9-11)

Cooking (page 12)

Lifeskills & Academic (page 13)

FunBall - Trax Sports

Grades PK-2

\$270

This class introduces the fun of sports in a nurturing environment to develop an appreciation for physical activity and personal growth. Students learn skills that are necessary in all sports, such as how to kick, catch, throw, run, dodge, jump, dance and much more.

Floor Hockey- Active Play

Grades 3-5

\$270

Dribble, pass, shoot and score this winter with Active Play! Students will test their hockey skills as they compete against each other in various games and drills. This class is fun, high energy, and a high endurance activity. Your kid has what it takes to be a Stanley Cup Champion!

Floor Hockey- Active Play

Grades K-2

\$235

Dribble, pass, shoot and score this winter with Active Play! Students will test their hockey skills as they compete against each other in various games and drills. This class is fun, high energy, and a high endurance activity. Your kid has what it takes to be a Stanley Cup Champion!

Lacrosse — TGA Premier

Grades 1-4

\$240

Get ready to score a goal and have fun with TGA! Our multi-week program is ideal for all players - from beginners to experienced lacrosse players - and is designed to refine skill, achieve success, promote discovery through play and provide a pathway for students to play outside of class. Students progress at their own pace while learning and experiencing something new in each class.

Soccer — Excite Soccer

Grades 1-4

\$275

Children will be encouraged to develop their mental, physical, and social abilities through creative soccer games and other activities taught by highly experienced staff; all trained in working with young children. Participants will learn individual skills, teamwork, and most importantly, have fun! Our emphasis is on mastering basic coordination and agility with and without a soccer ball, as well as providing a confidence-building environment.

Cross Country - Dietrich Paredes

Grades 3-5

\$285

Cross Country is more than just a sport; it's a holistic approach to physical and mental well-being. Our program aims to develop fundamental skills in your child, focusing on techniques such as running, breathing, and building endurance. Additionally, it goes beyond the track to instill valuable life skills like focus, perseverance, and teamwork.

FRIDAY

Soccer — Excite Soccer

Grades PK-K

\$240

Children will be encouraged to develop their mental, physical, and social abilities through creative soccer games and other activities taught by highly experienced staff; all trained in working with young children. Participants will learn individual skills, teamwork, and most importantly, have fun! Our emphasis is on mastering basic coordination and agility with and without a soccer ball, as well as providing a confidence-building environment.

Gymnastics — Active Play

Grades PK-1

\$235

Students in this class will jump, hop, and climb as they learn fundamental gymnastics skills in an entertaining and fast-paced way. The class will open up with a fun warm-up and stretch. The students will learn basic floor gymnastics skills, including cartwheels, handstands, bridges, back walkers, and agility movements. The goal is for students to learn gymnastics skills in a fun and interactive way!

Movement and Dance Classes

Class Types:
Sports (pages 3-5)

**Movement and Dance
(page 6)**

STEAM and STEM (page 7-8)

Creative Arts (page 9-11)

Cooking (page 12)

Lifeskills & Academic (page 13)

TUESDAY

Ultimate Dance Fitness - Kidz in Motion

Grades PK-3

\$270

This class will be set in a creative dance fitness environment where the students will spend the class learning different exercises to kid friendly songs and dance moves. Children do get a work out from this class!

Yoga: Playful Poses - Aristocrafts

Grades PK-1

\$300

One hour of fun, relaxing yoga poses incorporating age appropriate breathing techniques, dance, stretch.. Yoga will help your child reduce stress in their daily lives, develop their lifelong love of yoga and mindfulness.

Beginner Hip Hop - Tommie Shaw & Co

Grades K-3

\$315

Hip Hop is a high-energy dance form that uses the latest sounds in rap, R&B, and pop music and is perfect for boys and girls who love to move! This fun-filled class immerses students in all aspects of motion, developing their balance, coordination, and strength, as well as promoting creativity, teamwork, and self-esteem.

WEDNESDAY

Beginner Ballet - Tommie Shaw & Co

Grades PK-1

\$315

Beginner Ballet class is designed for younger ballet students of both genders. The class starts with a basic ballet center barre, followed by basic center floor ballet steps and simple ballet combinations moving across the floor. Beginner adagio, petit allegro and very simple grand allegro steps are introduced. French ballet terms are spoken and taught in the class and primarily classical music is used for accompaniment in this class.

THURSDAY

Beginner Tap Dance - Tommie Shaw & Co

Grades K-2

\$315

Tap Dance is a style of American theatrical dance which uses percussive footwork to mark out precise rhythmic patterns on the floor. Tap dance develops the student's timing and rhythm and can enhance the study of other dance forms. This course teaches basic tap steps such as shuffle-step, shuffle-hop-toe, ball-change, flap heel, buffalo and more. This class also incorporates upper body movement in the Broadway tradition.

STEAM & STEM Classes

MONDAY

Class Types:
 Sports (pages 3-5)
 Movement and Dance (page 6)
STEAM and STEM (page 7-8)
 Creative Arts (page 9-11)
 Cooking (page 12)
 Lifeskills & Academic (page 13)

Beginner Chess - DMV Chess

Grades K-5 \$265
 Students will learn the basics of chess in this fun class for beginners. They will participate in drills that will help them learn strategy and play.

Advanced Chess - DMV Chess

Grades K-5 \$265
 Students will learn more advanced strategies of chess in this fun class for intermediate/advanced players. They will participate in drills that will help them learn strategy and play.

Earth, Wind, and Fire PK-2 (Science Guys of Baltimore)

Grades PK-3 \$235
 This club is everything environmental and perfect for Spring! We make a copy of a dinosaur tooth, dig for gems and rocks, and learn about the awesome benefits of LIVE worms! We'll talk about the water and air cycles, make our own fossils, look through our collection of real bugs, and explore elements of nature that are all around us!

Nature Club - Amore Learning

Grades K-3 \$275
 Some say that nature has inspired some of the best writers, and this class will undoubtedly do the same through a mix of poetry, nature exploration, and even yoga/meditation. Each class, we will explore nature and celebrate different writing styles that may be inspired by it. We will fill our journals with fiction, graphic novels, poetry, free-writing, and lots more!

iSTEAM: Color Lab - iCOOK

Grades 2-5 \$255
 Our young scientists will get to experiment with creativity and outside of the box thinking while learning about science. Scientific concepts are introduced through hands-on projects like exploring the water cycle with colorful raindrops, learning about molecular binding through painting, and exploring what traits make animals special by creating their own creatures!

Hot Wheels - Active Play

Grades PK-1 \$235
 Step into the fast-paced world of the Hot Wheels Club, where young speed enthusiasts ignite their passion for racing and engineering. Guided by dedicated teachers, these pint-sized speedsters engage in exhilarating competitions, building custom tracks and showcasing their meticulously modified Hot Wheels cars. With every loop, twist, and jump, the club fuels imagination, teamwork, and an unquenchable thirst for the thrill of the race.

STEAM & STEM Classes

WEDNESDAY

Pokemon Engineering - Playwell Teknologies

Grades K-2 \$270

Calling all Pokémon trainers! With the Pokémon Championship approaching, join our enthusiastic Play-Well Instructors as we build and catch our favorite Pokémon, rescue Pikachu from Team Rocket, take a ride on the S.S. Anne to uncover rare and mystic Pokémon, and battle to see who will hold the title of Pokémon Master. Come along on our journey to catch 'em all!!

FRIDAY

Lego Builders - Aristocrafts

Grades PK-1 \$265

In this course, children will have the opportunity to explore their creativity and problem solving skills through building and designing with LEGO bricks. Throughout the class, they will learn various techniques for building structures, vehicles and other objects. Children will have the opportunity to work individually or in teams, and will be encouraged to share their ideas and collaborate with their peers. We will also discuss some of the engineering and physics concepts behind the designs we create. Ready...Set...Build!

Spa Sensation - Aristocrafts

Grades 2-5 \$275

In this class all about self care, student will have the opportunity to create their very own self care kit. From their very own bath bombs, to lip balm to body scrubs and much more , students will pamper themselves after a long day at school. Join us for a hands-on activity session, creating your own SPA sensations! Craft your calm!

Experiment-a-mania - Mad Science

Grades K-4 \$270

Experiment-a-mania is a cornucopia of experiments! Children will uncover the vital role that science plays in detective work, examine the science behind popular toys and get a buzz out of the amazing world of insects! Your Jr. Mad Scientists will explore earth science, weather phenomena, and experiment with some kitchen chemistry.

Class Types:

Sports (pages 3-5)

Movement and Dance (page 6)

STEAM and STEM (page 7-8)

Creative Arts (page 9-11)

Cooking (page 12)

Lifeskills & Academic (page 13)

Creative Arts Classes

Movement and Dance (page 6)

STEAM and STEM (page 7-8)

Creative Arts (page 9-11)

Cooking (page 12)

Lifeskills & Academic (page 13)

MONDAY

Arts & Crafts - Aristocrafts

Grades PK-1

\$275

Discover the world of creativity using different materials and creating a new project every week from clay dishes, wall decor, felt/yarn garland, tassel/pom pom making, DIY chalk, macrame key ring, natural and seasonal decoration, and also learn a few jewelry techniques to bring home.

Origami - Ms. Margaret Xavier

Grades 1-5

\$235

Join our Origami craft club where you will learn the art of paper folding. Each week we will make unique and fun three-dimensional objects from flat pieces of colorful square paper that you can take home and share. Come have fun, be creative and relax as you fold.

TUESDAY

Myths & Legends - Abrakadoodle

Grades PK-2

\$270

Spark creative art experiences with time-honored stories. Exciting myths, legends and tales from around the world inspire artwork to narrate stories in new ways. Folded paper puppets, painted story scrolls and sculpted creatures retell our heritage. Open ears, creativity, and good stories are all we need to get started!

Swiftie Dreams - Amore Learning

Grades 2-5

\$315

Step into the magical world of Taylor Swift! In this engaging class, young Swifties will explore the enchanting melodies, empowering lyrics, and iconic style of Taylor Swift, the pop sensation. From decoding the storytelling genius behind her songs to unraveling the secrets of her unique fashion sense, young participants will not only groove to the tunes but also understand the profound influence Swift has had on the music industry.

Let's Paint! - Ms. Oda Solms

Grades K-3

\$270

In this creative class, students will draw and paint new artwork each week. Using watercolor and acrylic, we will create vibrant paintings of animals, flowers, cityscapes and more. Students will learn a bit about color theory and various painting techniques along the way.

Paper Illustration - Mr. Nick Ledyard

Grades 3-5

\$275

With the older, more trained artist's eye, students will use high quality papers with more variations in color, allowing us to focus and refine the texture, form, and value of our work. We will use paper scraps, pre-torn pieces, and construction paper, but we will add cardstock and its many variations to our mix. We will hone in on our use of paper, spending some of our time distinguishing between collaging, which can include many mediums, and paper illustration, where we attempt to do all of our work with just paper.

Creative Arts Classes

Class Types:

Sports (pages 3-5)

Movement and Dance (page 6)

STEAM and STEM (page 7-8)

Creative Arts (page 9-11)

Cooking (page 12)

Lifeskills & Academic (page 13)

WEDNESDAY

Torn Paper Art - Mr. Nick Ledyard

Grades PK-2

\$275

Little fingers don't need to worry about the skills of cutting with scissors to enjoy making paper art. Students will work with pre-torn paper as well as have the opportunity to tear their own pieces of paper, using glue to adhere their creations. The session will cover the creation of Mosaics, Collages, Paper Flowers, and Greeting Cards.

Storybook Creators - Amore Learning

Grades PK-1

\$315

Embark on a magical journey into the world of storytelling! In this bibliophilic class, little ones will discover the enchanting elements of a book—captivating illustrations, engaging text, and unique covers. Together, we'll explore cherished tales that teach the significance of characters, settings, and actions. Throughout the course, our budding storytellers will craft and publish their very own tiny masterpieces, creating heartwarming stories to share with their families.

Magical Stitch - Aristocrafts

Grades 2-5

\$315

Discover the Art of Stitching: Join our unique class where embroidery, punch needle, and sewing techniques come together to create stunning textile pieces. From intricate embroidery stitches to the texture-rich punch needle designs and the practicality of sewing, this class offers a comprehensive exploration of the world of stitching.

THURSDAY

Music: a Universal Language - Tempo Music School

Grades PK-2

\$315

In our engaging music classes, we embark on an exciting journey to explore the universal language of music. Through rhythmic explorations, understanding music elements, discovering the sounds of different instruments, and unraveling the secrets of musical notes, we ignite a passion for music in our young learners

Beginner Drumming - Nick Ledyard

Grades K-2

\$275

Welcome to drumming club, a class to get you familiar with drumming, keeping time, and maintaining a beat using drum sticks. Students will use a drum pad to build a sense of timing, learn how to read (some) drum notation and begin to distinguish between up-beat and down-beat, as well as quarter and eighth notes.

Tiny Rodin! - Aristocrafts

Grades 2-5

\$315

By using different media such as clay, paper mache, and plaster students will learn to sculpt and learn the basics of this extraordinary shaping technique.

Art! Inspired by Artists - Ms. Oda Solms

Grades 2-5

\$270

Calling all budding artists! Each week, students will learn about a new artist, and will create their own artwork with similar styles and techniques. Artists include Picasso, Kandinsky, Mondrian, Basquiat and O'Keeffe.

Creative Arts Classes

Class Types:

Sports (pages 3-5)

Movement and Dance (page 6)

STEAM and STEM (page 7-8)

Creative Arts (page 9-11)

Cooking (page 12)

Lifeskills & Academic (page 13)

FRIDAY

Little Fingers & Big Ideas - Abrakadoodle

Grades PK-1

\$235

We love little children who think BIG! Ideas know no limits in this special series dedicated to little artists! Reach for the sky on a cloudy day or moonlit night! Erupt with excitement over volcanoes! Stomp joyfully and tromp through time with massive creatures! Explode with celebratory color! Even explore the expanse of the universe!

Knitting - Maria Cecil

Grades 2-5

\$240

Knitting is a fun and creative skill that stays with you for a lifetime. Whether you are a complete beginner or already know and love knitting, come create beautiful knitted creations with us. Projects include a knitted bag or wallet, Teddy bear hat and scarf, knitted pillows, and much more!

Floral Design - Jesse Lima

Grades K-3

\$235

This fantastic course covers principles of floral arts with an emphasis on floral design. Topics will include basic design styles, color harmonies, care and processing of flowers, and plant identification! Students will demonstrate to study the general principal of plants, their life processes and morphology, with an emphasis on major floral crops. By the end of the course, students will have the ability to create their own floral arrangements and how to care for them in this class!

Photography- Active Play!

Grades 2-5

\$275

Photography is more than just taking pictures; it's a means of capturing moments that speak to the soul and awaken the senses. Our afterschool class caters to all levels and helps participants master the art of photography by building confidence and improving your technique. Join us this session and learn how to capture the world through your lens.

Cooking Classes

Class Types:

Sports (pages 3-5)

Movement and Dance (page 6)

STEAM and STEM (page 7-8)

Creative Arts (page 9-11)

Cooking (page 12)

Lifeskills & Academic (page 13)

WEDNESDAY

All American Diner - Tiny Chefs

Grades PK-2

\$315

We've assembled some of our favorite recipes to create the ultimate All-American Diner Challenge! Each week students will learn how to make the daily special—with a twist! They will be challenged to use a "secret ingredient" to keep the menu fresh and not let any food go to waste. Our Tiny Chefs will also be challenged to use their imaginations and new-found culinary knowledge to plan their own restaurants. If your Tiny Chef loves Top Chef and Diners, Drive-Ins and Dives, this is the class for them!

STEAM: Spicing Things Up 2-5 - iCook

Grades 2-5

\$295

Our chefs-in-training will learn how the addition of spices and herbs can transform food and provide added nutritional benefits too. Each class will highlight an herb or spice including basil, rosemary, garlic, vanilla, and cinnamon! We will make Black Bean Sliders, Rosemary Crackers, Enchiladas, and more! Our little chefs will build on their knowledge of cooking safety and the fundamental cooking techniques including peeling, breading, blending, melting, slicing, dicing, chopping and more.

THURSDAY

All American Diner - Tiny Chefs

Grades PK-2

\$315

We've assembled some of our favorite recipes to create the ultimate All-American Diner Challenge! Each week students will learn how to make the daily special—with a twist! They will be challenged to use a "secret ingredient" to keep the menu fresh and not let any food go to waste. Our Tiny Chefs will also be challenged to use their imaginations and new-found culinary knowledge to plan their own restaurants. If your Tiny Chef loves Top Chef and Diners, Drive-Ins and Dives, this is the class for them!

Lifeskills & Academic Classes

Class Types:

Sports (pages 3-5)
 Movement and Dance (page 6)
 STEAM and STEM (page 7-8)
 Creative Arts (page 9-11)
 Cooking (page 12)

**Lifeskills & Academic
 (page 13)**

TUESDAY

Greek & Latin Roots - Blake Yedwab

Grades 4-5

\$270

Using a robust curriculum, students will learn Greek and Latin roots, prefixes, and suffixes. Each lesson will begin with a visual representation of the words used with the roots/prefixes/suffixes, followed by an interactive notebook activity where the students cut/color/glue (optional) and write sentences using the words correctly.

Time allowing, as a group we will work on activities using the words.

WEDNESDAY

Debate - Active Play

Grades 3-5

\$270

Debate teaches individuals the importance of being prepared to listen in two ways. First, it trains people in the mental preparation of listening - having a listening plan. During a debate you listen for specific things, points you want to answer, weakness in logic, supporting material and key points. This class will give students the opportunity to understand a formal debate which involves two sides: one supporting a resolution and one opposing it. Such a debate is bound by rules previously agreed upon.

THURSDAY

Equity Explorers: Empowering Young Change makers - Jacqueline McDonough

Grades 4-5

\$270

Are you eager to make a positive difference in the world? Join Mrs. McDonough for "Equity Explorers" and embark on a journey of self-discovery and meaningful social impact through guided play, interactive games, creative activities, and using a specialized Justice Journal. Join "Equity Explorers" today and find your voice to become a compassionate and confident young changemaker.
