- Budget (Danielle)
    - Updates, advocacy needs, implications for next year
    - Frumin budget notes
        - Advocacy should be around what Janney needs to keep itself running
        - Need the funds to adequately staff the school
        - Maureen emailed notes to the team from the conversation with Councilmember Frumin about the budget timeline and additional advocacy

        - There could be more money added (will know at the end of May), but in the meantime, the school does have to move through the process required when there is a reduction of staff → continue to find ways to make teachers feel valued during this difficult time
        - Maureen will update the letter we previously wrote with updated information and send it to team for input → we can put this letter in Janney Google Group again for families who want to email councilmembers
